

## January 2, 2007 Vote to Move the Marriage Amendment Forward to the Next Legislative Session—Statewide Tally by Senate and House

Massachusetts Catholic Conference

<http://www.macathconf.org>

The Massachusetts General Court, meeting in Constitutional Convention on the last day of the 2005-2006 legislative session, voted 62 to 134, 12 votes more than the constitutionally required 50 votes, to move H. 4617, a proposed constitutional amendment defining marriage prospectively as the union between one man and one woman, forward to the next legislative session. To be placed on the November 2008 general election ballot, the Marriage Amendment must garner at least 50 votes from legislators meeting in Constitutional Convention again in 2007-2008. Y = a vote to move the Marriage Amendment forward, N = a vote to kill the Marriage Amendment, and X = not voting. Three House seats are vacant, and one legislator, Senator Nuciforo, did not vote.
